Detail — three of the four scripts, close up

LICENSING

Personal, church and educational use.
The hieroglyphic form is an artistic transliteration based on published Coptic spellings — a keepsake, not an academic or church-certified reference.

HOW IT WORKS

01
Send the name
Arabic, plus any spelling you want me to follow.

02
Approve a preview
A watermarked proof comes back for your check.

03
Receive the files
Final PNG and PDF, clean, ready to print or share.

Every card is prepared individually and checked before delivery.
